REPORT OF TOWN CLERK

This is my 10th Annual Report as Town Clerk, and my 12th year in Office, having served 2 years as an Assistant. It has been a very busy and satisfying position with the growth of the town and the changes recorded daily.

The yearly censor's mailers were posted on the 28th of January with the return date of March 31, 1982. The response was in the 90 percentile range with a total of 3080 of the 3099 Federal censors count recorded. There were 738 changes, 168 deleted, and 69 new residents added to the recorded censors of 1982.

I am pleased to report that the use of a computer enables us to obtain a more effective updated register of all the residents and prints the dog listing, the jury listing, the school list, the residence listing book and new voter sheets for every election.

There were 3 elections held during 1982. Town Election May 3, Primary September 14, and the State Election on November 2, 1982.

At this time I express my sincere thanks to the Board of Registrars and to all the Election Workers for their help during the year.

418	Dog Licenses sold	\$1,226.50	
	Dog Late Fees Collected	96.00	
	Auctioneer License sold	60.00	
	Raffle & Bazaar Permits sold	60.00	
	Copies and Street Listing Books	<u>110.21</u>	
		\$1,552.71	to the Town Treasurer
16	Stamps		
136	Fish & Game Licenses sold	\$1,519.25	to the Com- monwealth of Mass.
	Total Collected	<u>\$3,071.96</u>	
	Total Town Clerk's fee for the year 1982		\$1,656.55

Respectfully submitted,

HELEN GIBSON
Town Clerk

**TOWN WARRANT
COMMONWEALTH OF MASSACHUSETTS**

Worcester, ss.

TO THE CONSTABLE of the TOWN of MENDON in the COUNTY of WORCESTER,

Greeting:

In the name of the Commonwealth of Massachusetts you are directed to notify the inhabitants of the Town of Mendon qualified to vote in elections and in town affairs to meet at the TOWN HALL in said Mendon on Monday the 12th day of April A.D. 1982 punctually at 7:30 o'clock P.M., to act on the following articles, viz:

ARTICLE 1. To see if the Town will vote to transfer a sum of money from Available Funds to Road Machinery Account.

ARTICLE 2. To see if the Town will vote to transfer a sum of money from Available funds to Snow Removal Expense Account.

ARTICLE 3. To see if the Town will vote to transfer a sum of money from Available funds to Interest Temporary Loan Account.

And you are directed to serve this Warrant by posting an attested copy in three or more public places in the Town of Mendon at least 14 days before said meeting; one copy thereof shall be posted on the Town Hall Building.

Hereof fail not, and make due return of this warrant with your doings thereon to the Town Clerk of said town before the time of meeting aforesaid.

Given under our hands at Mendon, this 29th day of March A.D. 1982.

SELECTMEN OF MENDON

Clarence R. Phipps
William F. Ober
Rolland J. Morin, Jr.

A true copy, attest:

Paul R. Tyler
Constable of Mendon

COMMONWEALTH of MASSACHUSETTS

Worcester, ss.

Mendon, March 29, 1982

I have served the within warrant by posting an attested copy and publishing as herein directed and have otherwise complied with all the requirements of law.

Paul R. Tyler
Constable of Mendon

Rec. & Filed
3/29/82, 3:43 P.M.

Pursuant to the foregoing warrant the Special Town Meeting was called to order at 7:30 P.M. by the Moderator David Denenberg. The Moderator dispenses with the reading of the warrant, the clerk to note that the warrant was legally posted and served.

ARTICLE 1. Voted that the Town transfer \$3,400.00 from Available Funds to Road Machinery Account.

Unanimous Voice Vote

ARTICLE 2. Voted that the Town transfer \$5,200.00 from Available Funds to Snow Removal Expense Account.

Unanimous Voice Vote

ARTICLE 3. Voted that the Town transfer \$1,000.00 from Available Funds to Interest Temporary Loan Account.

Unanimous Voice Vote

Motion made and seconded to dissolve the meeting; 20 registered voters attended. 7:37 P.M. Roseanna Elliot served as teller, Tom Malia Police Officer.

Helen A. Gibson
Town Clerk

TOWN WARRANT COMMONWEALTH OF MASSACHUSETTS

Worcester, ss.

TO THE CONSTABLE of the TOWN of MENDON in the COUNTY of WORCESTER,

Greeting:

In the name of the Commonwealth of Massachusetts you are directed to notify the inhabitants of the Town of Mendon qualified to vote in elections and in town affairs to meet at the All Purpose Room of the Henry P. Clough School in said Mendon on Monday the 3rd day of May A.D. 1982 punctually at 9:00 o'clock P.M., to act on the following articles,
viz:

Article 2 and all the following articles on this Warrant will be acted upon Friday, the 7th day of May A.D., 1982 at 7:30 P.M. at the Main Auditorium of Nipmuc Regional High School.

ARTICLE 1. To bring in their ballots for the following Town Officers:

- One Town Clerk for Three Years.
- One Town Moderator for One Year.
- One Selectman for Three Years.
- One Assessor for Three Years.

One Town Treasurer/Town Collector for Three Years.
One Member of the Board of Health for Three Years.
One Member of the Board of Health for One Year.
One Member of the Mendon-Upton Regional School District Committee for Three Years.
One Trustee of the Taft Public Library for Three Years.
One Water Commissioner for Three Years.
One Park Commissioner for Three Years.
One Member of the Planning Board for Five Years.
All on one ballot, designating the office intended for each person.

ARTICLE 2. To see if the Town will vote to authorize the Treasurer with the approval of the Selectmen to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 1982 in accordance with the provisions of General Laws, Chapter 44, Section 4 and to issue a note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

ARTICLE 3. To fix the salaries and compensations of the elected officers of the Town.

ARTICLE 4. To determine what sums of money the Town will raise and appropriate to defray charges and expenses of the Town including debt and interest and to provide for a Reserve Fund for the ensuing year.

ARTICLE 5. To see what sums of money the Town will vote to appropriate from Revenue Sharing Funds to defray charges and expenses of the Town.

ARTICLE 6. To see if the Town will vote to authorize and direct the Assessors to take a sum of money from Available Funds to reduce the Tax Levy in Fiscal Year 1982/83.

ARTICLE 7. To see if the town will vote to appropriate a sum of money to complete renovations in the Town Hall basement and any related relocation costs and to determine whether the money shall be provided for by taxation, from the Stabilization Fund, or other Available Funds in the Treasury or by borrowing under the provisions of Chapter 44, Section 7, paragraph 5.

ARTICLE 8. To see if the Town will vote to appropriate a sum of money to install wiring for the Town Hall basement and to determine whether the money shall be provided for by taxation, from the Stabilization Funds, or other Available Funds in the Treasury or by borrowing under the provisions of Chapter 44, Section 7, Paragraph 5.

ARTICLE 9. To see if the Town will vote to appropriate from the Stabilization Fund, a sum of money to paint the Town Hall and Library or take any action in relation thereto.

ARTICLE 10. To see if the Town will vote to appropriate from the Stabilization Fund, a sum of money to purchase a Highway Truck or take any action in relation thereto.

ARTICLE 11. To see if the Town will vote to appropriate a sum of money from Stabilization Fund to purchase a snow plow or take any action in relation thereto.

ARTICLE 12. To see if the Town will vote that the square, which contains the World War I and World War II Boulders, located at the intersection of Main and Maple Streets, known as Memorial Square remain the same name.

ARTICLE 13. To see if the Town will vote to accept as a public way, the following private ways known as Sandra Circle and Lori Lane or take any action in relation thereto.

ARTICLE 14. To see if the Town will vote to rezone a parcel of land in Mendon shown as parcel 1-A on a plan dated March 24, 1982 submitted to the Mendon Planning Board by Birch Alley Realty Trust. Said plot contains 2.44 ± acres, or take any action in relation thereto.

ARTICLE 15. To see if the Town will vote to accept the following amendment to the Zoning by-laws of the Town of Mendon;

I. Flood Plain District

The Flood Plain District is herein established as an overlay district. The underlying permitted uses are allowed provided that they meet the following additional requirements as well as those of the Massachusetts State Building Code dealing with construction in floodplains. The Flood Plain District includes all special flood hazard areas designated as Zone A, A1-30 on the Mendon Flood Insurance Rate Maps, and the Flood Boundary and Floodway Maps, dated July 19, 1982 on file with the Town Clerk Planning Board and Building Commissioner. These maps as well as the accompanying Mendon Flood Insurance Study are incorporated herein by reference.

II. Development Regulations

The following requirements apply in the Flood Plain District;

- A. Within Zone A, where the base flood elevation is not provided on the FIRM, the applicant shall obtain any existing base flood elevation data and it shall be reviewed by the Building Commissioner for its reasonable utilization toward meeting the elevation or flood proofing requirements, as appropriate, of the State Building Code.

B. In the floodway, designated on the Flood Boundary and Floodway Map, the following provisions shall apply:

1. All encroachments, including fill, new construction, substantial improvements to existing structures, and other development are prohibited unless certification by a registered professional engineer or architect is provided by the applicant demonstrating that such encroachment shall not result in any increase in flood levels during the occurrence of the 100 year flood.
2. Any encroachment meeting the above standard shall comply with the flood plain requirements of the State Building Code.

Copies of Plans and metes and bounds are available for review in the Town Clerk's Office.

ARTICLE 16. To see if the Town will vote to appropriate a sum of money for control of Gypsy Moth and to determine whether the money shall be provided for by taxation, or appropriation from Available Funds in the Treasury.

POLLS WILL CLOSE AT 8:00 P.M.

And you are directed to serve this Warrant by posting an attested copy in three or more public places in the Town of Mendon at least seven days before said meeting; one copy thereof shall be posted on the Town Hall Building.

Hereof fail not, and make due return of this warrant with your doings thereon to the Town Clerk of said town before the time of meeting aforesaid.

Given under our hands at Mendon, this 20th day of April A.D. 1982.

ARTICLE 12. Presented by Joseph Taylor and seconded by Mr. Alfred A. Lee. Voted that the square at the junction of Main and Maple Streets, known as Memorial Square, and which contains the World War I and World War II Boulders, be named Memorial Square.

Unanimous Voice Vote.

ARTICLE 13. Presented by Clarence Phipps Chairman Board of Selectmen. Voted that the Town accept as Public Way the following Private Ways, Sandra Cirlce and Lori Lane.

Unanimous Voice Vote.

ARTICLE 14. Presented by Robert Caron, Jr., Chairman — Planning Board. Planning Board Report to the Town Meeting.

In accordance with Mass. General Laws, Chapter 40A, Section 5, a public hearing was held on April 26, 1982 at 7:30 P.M. in the Mendon Town Hall to hear the request of Birch Alley Realty Trust, Howard F. Miller and Phillip H. Twitchell, Trustees, to re-zone Parcel 1-A, numbered 154 Uxbridge Road, Mendon, Mass. from the present 200 ft. business depth to include the entire parcel of 2.44 acres.

There were 14 people in attendance. The chairman read the request. A discussion followed with owners of abutting and near-by property asking questions concerning the possibility of increased noise, increased vehicular traffic, reduction in property values and voiced their objections to the same. After this discussion, the Board took the matter under advisement.

RECOMMENDATION

Regarding a plan of land located at 154 Uxbridge Road, Mendon, Mass. submitted by Birch Alley Realty Trust, Howard F. Miller and Phillip H. Twitchell, Trustees, and designated as Parcel 1-A containing 2.44 acres, the Planning Board does not recommend rezoning from residential to business Parcel 1-A in total.

After consideration of the questions and objections raised at the Public Hearing and careful review by the Board, the Planning Board recommends unfavorable action on Article 14.

Mr. Howard Miller presents a Motion to amend Article 14 to read as follows:

To see if the Town will vote to extend the commercial zoning of a parcel of land in Mendon shown as parcel 1-A on a plan dated March 24, 1982, submitted to the Mendon Planning Board by Birch Alley Realty Trust. Said plot contains 2.44 ± acres; provided, however, that such parcel shall be rezoned only to the extent of a distance of 350 feet from the sideline of Route 16.

Discussion followed.

Hand Count Taken.

Voted that the Town extend the commercial zoning of a parcel of land in Mendon shown as parcel 1-A on a plan dated March 24, 1982, submitted to the Mendon Planning Board by Birch Alley Realty Trust. Said plot contains 2.44 ± acres, provided, however, that such parcel shall be rezoned only to the extent of a distance of 350 feet from the sideline of Route 16. 2/3 vote needed.

44 Yes 34 No Motion does not carry

ARTICLE 15. Planning Board Report to the Town Meeting.

In accordance with Ma ss. General Laws, Chapter 40A, Section 5, a Public Hearing was held on April 26, 1982 at 8:05 P.M. in the Mendon Town Hall to consider the following proposed amendment to the Zoning By-Laws, of the Town of Mendon:

FLOOD PLAIN DISTRICT REGULATIONS.

I. Flood Plain District.

The Flood Plain District is herein established as an overlay district. The underlying permitted uses are allowed provided that they meet the following additional requirements as well as those of the Massachusetts State Building Code dealing with construction in the Floodplains. The Flood Plain District includes all special flood hazard areas designated as Zone A, A1-30 on the Mendon Flood Insurance Rate Maps and the Flood Boundary and Floodway Maps, dated July 19, 1982, on file with the Town Clerk, Planning Board and Building Commissioner. These maps as well as the accompanying Mendon Flood Insurance Study are incorporated by reference.

II. Development Regulations

The following requirements apply in Flood Plain Districts:

- A. Within the Zone A, where the base flood elevation is not provided on the FIRM, the applicant shall obtain any existing base flood elevation data and it shall be reviewed by the Building Commissioner for its reasonable utilization toward meeting the elevation or flood-proofing requirements, as appropriate, of the State Building Code.
- B. In the floodway, designated on the Flood Boundary and Floodway Map, the following provisions shall apply:
 - 1. All encroachments, including fill, new construction, substantial improvements to existing structures, and other development are prohibited unless certification by a registered professional engineer or architect is provided by the applicant demonstrating that such encroachment shall not result in any increase in flood levels during the occurrence of the 100-year flood.
 - 2. Any encroachment meeting the above standard shall comply with the floodplain requirements of the State Building Code.

The Chairman read the proposed amendment and with no comment, the Board took the matter under advisement.

RECOMMENDATION

I. The Planning Board recommends the Town accept the following Amendment to the Zoning By-laws of the Town of Mendon:

FLOOD PLAIN REGULATIONS

I. Flood Plain District

The Flood Plain District is herein established as an overlay district. The underlying permitted uses are allowed provided that they meet the following additional requirements as well as those of the Massachusetts State Building Code dealing with construction in the floodplains. The Flood Plains District includes all special flood hazard areas designated as Zone A. A1-30 on the Mendon Flood Insurance Rate Maps and the Flood Boundary and Floodway Maps, dated July 19, 1982, on file with the Town Clerk, Planning Board and Building Commissioner. These maps as well as the accompanying Mendon Flood Insurance Study are incorporated by reference.

II. Development Regulation

The following requirements apply in Flood Plain Districts:

A. Within Zone A, where the base flood elevation is not provided on the FIRM, the applicant shall obtain any existing base flood elevation data and it shall be reviewed by the Building Commissioner for its reasonable utilization toward meeting the elevation or flood-proofing requirements, as appropriate, of the State Building Code.

B. In the floodway, designated on the Flood Boundary and Floodway Map, the following provisions shall apply:

1. All encroachments, including fill, new construction, substantial improvements to existing structures, and other development are prohibited unless certification by a registered professional engineer or architect is provided by the applicant demonstrating that such encroachment shall not result in any increase in flood levels during the occurrence of the 100-year flood.
2. Any encroachment meeting the above standard shall comply with the floodplain requirements of the State Building Code, and I so move.

ARTICLE 15. Voted that the Town accept the following amendment to the Zoning by-laws of the Town of Mendon.

FLOOD PLAIN DISTRICT REGULATIONS.

I. Flood Plain District.

The Flood Plain District is herein established as an overlay district. The underlying permitted uses are allowed provided that they meet the following additional requirements as well as those of the Massachusetts State Building Code dealing with construction in the Floodplains. The Flood Plain District includes all special flood hazard areas designated as Zone A, A1-30 on the Mendon Flood Insurance Rate Maps and the Flood Boundary and Floodway Maps, dated July 19, 1982, on file with the Town Clerk, Planning Board and Building Commissioner. These maps as well as the accompanying Mendon Flood Insurance Study are incorporated by reference.

II. Development Regulations

The following requirements apply in Flood Plain Districts:

- A. Within the Zone A, where the base flood elevation is not provided on the FIRM, the applicant shall obtain any existing base flood elevation data and it shall be reviewed by the Building Commissioner for its reasonable utilization toward meeting the elevation or flood-proofing requirements, as appropriate, of the State Building Code.
- B. In the floodway, designated on the Flood Boundary and Floodway Map, the following provisions shall apply:
 1. All encroachments, including fill, new construction, substantial improvements to existing structures, and other development are prohibited unless certification by a registered professional engineer or architect is provided by the applicant demonstrating that such encroachment shall not result in any increase in flood levels during the occurrence of the 100-year flood.
 2. Any encroachment meeting the above standard shall comply with the floodplain requirements of the State Building Code. Atty. General approved 9/8/82.

Unanimous Voice Vote.

Motion made and seconded to dissolve the meeting at 10:18 P.M.
109 Registered Voters.

Helen A. Gibson, *Town Clerk*

TOWN WARRANT

COMMONWEALTH of MASSACHUSETTS

Worcester, ss.

TO THE CONSTABLE of the TOWN of MENDON in the COUNTY of
WORCESTER, Greeting:

In the name of the Commonwealth of Massachusetts you are directed to notify the inhabitants of the Town of Mendon qualified to vote in elections and in town affairs to meet at the town hall in said Mendon on Monday the 21st day of June A.D. 1982 punctually at 7:30 o'clock P.M., to act on the following articles, viz:

ARTICLE 1. To see if the Town will vote to transfer a sum of money from Heat and Light Town Buildings Account to Insurance Town Buildings Account.

ARTICLE 2. To see if the Town will vote to transfer a sum of money from Heat and Light Town Buildings Account to Road Machinery Account.

ARTICLE 3. To see if the Town will vote to transfer a sum of money from Heat and Light Town Buildings Account to General Repairs Salary and Wage Account.

ARTICLE 4. To see if the Town will vote to transfer a sum of money from Heat and Light Town Buildings Account to purchase necessary materials to build a temporary facility for housing stray dogs.

ARTICLE 5. To see if the Town will vote to transfer a sum of money from Street Light Account to Fire Department Salary and Wage Account.

ARTICLE 6. To see if the Town will vote to create a Regional Refuse Planning Committee, according to Chapter 40 of the Mass. General Laws, Section 44A, consisting of two members to be appointed by the Moderator.

ARTICLE 7. To see if the Town will vote to transfer a sum of money from Police Department Salaries and Wages Account and Town Hall Salaries Account for the necessary repair or replacement of storm windows for the Fire Station.

And you are directed to serve this Warrant by posting an attested copy in three or more public places in the Town of Mendon at least seven days before said meeting; one copy thereof shall be posted on the Town Hall Building.

Hereof fail not, and make due return of this warrant with your doings thereon to the Town Clerk of said town before the time of meeting aforesaid.

Given under our hands at Mendon, this 7th day of June A.D. 1982.

County Commissioner	Worcester County

BALLOT QUESTIONS **QUESTION NO. 1**

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in joint sessions of the House of Representatives and the Senate on July 2, 1980, by a vote of 171-4, and on June 21, 1982 by a vote of 144-44?

Yes _____
 No _____

SUMMARY

The proposed constitutional amendment would remove the present constitutional prohibition against the use of public funds to aid or maintain private primary or secondary schools.

It would permit the Commonwealth, cities and towns to make public funds available to pupils attending private primary and secondary schools in the form of either aid, materials or service subject, however, to three specific limitations. First, the private shools could not be one that discriminates on the basis of race or color in its admission requirements. Second, the grant of aid must be consistent with the First Amendment to the United States Constitution which guarantees the free exercise of religion and prohibits the establishment of religion. Third, individual pupils would have to request the aid, materials or services. In addition to these three specific limitations, the amendment would authorize the legislature to enact other laws imposing conditions or restrictions on the grant of public aid, materials or services.

The proposal would also change the state constitution to allow public money to be spent to aid infirmaries, hospitals, charitable or religious undertakings if they are either publicly owned or under the control of public officials. The state Constitution now prohibits such spending unless these institutions are both publicly owned and under the control of public officials.

QUESTION NO. 2

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in joint sessions of the House of Representative and Senate on September 19, 1980 by a vote of 123-63, and on June 21, 1982 by a vote of 125-62?

Yes _____
No _____

SUMMARY

The proposed constitutional amendment would allow the legislature to enact laws authorizing the state courts to impose the death penalty on the conviction of crimes to be specified by law. The proposed amendment would provide that no provision of the state constitution may in the future be construed as prohibiting the imposition of the punishment of death.

QUESTION NO. 3

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the House of Representatives or the Senate before July 17, 1982?

Yes _____
No _____

SUMMARY

The proposed law would require that before the construction of operation of any new nuclear power plant or low-level radioactive waste storage or disposal facility in the Commonwealth, the legislature must make certain findings and a majority of voters must approve the new facility at a statewide election.

Before the question of building a new nuclear power plant could be submitted to the voters, the legislature would have to find that (1) the proposed facility is the best means for meeting energy needs based on certain economic safety, environmental and social consideration; (2) a federally-licensed facility exists for the disposal of the high-level radioactive waste that would be generated; (3) an approved emergency preparedness plan has been developed; (4) radioactive pollution standards have been developed; (5) a demonstrated, federally-approved technology exists for decommissioning the proposed power plant.

Before the question of building and operating a low-level radioactive waste storage or disposal facility or of entering into an agreement with another state to build and operate such a facility in Massachusetts could be submitted to the voters, the legislature would have to find that the technology and site designated for the proposed facility are the best available based on certain economic, safety, environmental and social considerations. The legislature would also have to find that the obligations imposed on Massachusetts by any interstate agreement were no greater than those imposed on any other state.

The proposal would not apply to a facility which had obtained all necessary government approval before August 5, 1981, nor to any facility for disposal or storage of radioactive wastes from medical or bio-research applications in Massachusetts.

QUESTION NO. 4

referendum on an existing law

Do you approve of a law summarized below, which was approved by the House of Representatives on November 10, 1981 by a vote of 108-49 and by the Senate on November 16, 1981 by a vote of 29-10?

Yes _____

No _____

SUMMARY

The law requires that a refundable deposit be paid for certain beverage containers sold in Massachusetts.

Beverage containers of less than 32 ounces must have a refund value of at least five cents and larger containers a refund value of at least ten cents. This requirement applies to non-biodegradable containers of carbonated soft drinks, mineral water, beer and other malt beverages, but not to containers of other alcoholic beverages, dairy products, natural fruit juices or wine. All beverage containers subject to deposit must clearly indicate the refund value on the container.

The deposit is paid by the consumer upon purchase and must be refunded when the consumer returns the empty container to a proper dealer or redemption center, so long as the container does not contain any material different from its normal contents. Dealers and distributors are also subject to the same deposit and refund on the beverage containers they handle, and are also entitled to a handling fee of at least one cent per container.

No container can be sold in the state if they are joined together by plastic rings or any other device that cannot be broken down by light or bacteria.

The law provides a bottler a reduction in corporate excise tax of one-tenth of one cent for each reusable beverage container which the bottler sells in the first three months of 1983. The law provides for additional unemployment benefits and, if the Legislature appropriates the funds, a job retraining program for employees of bottlers, canners, or manufacturers of beverage containers who lose their jobs as a result of this law.

The law takes effect on January 17, 1983.

QUESTION NO. 5

Shall the Secretary of the Commonwealth of Massachusetts inform the President and the Congress of the United States that it is the desire of the people of Massachusetts to have the government of the United States

work vigorously to negotiate a mutual nuclear weapons moratorium and reduction, with appropriate verification, with the Soviet Union and other nations?

Yes_____

No_____

REPORT OF THE BUILDING COMMISSIONER

Permits issued during the year 1982 are as follows:

New Homes	6
Alterations & Repairs	16
Decks, Porches & Screen Porches	4
Additions	14
Sheds & Barns.....	14
Pools	6
Garages	5
Green Houses	1
Demolition	1
Wood Stove/Furnace/or Chimney	27
Total Permits Issued	94

Fifteen Certificates of Inspection were issued. Sign Permits were approved for a total of seven applications. A total of \$2,396.00 was turned over to the Town Treasurer.

I would remind townspeople that a permit is needed for the installation of wood burning and/or all purpose fuel stoves or furnace. After installation a check is made to insure that there is correct fire protection. All installations must have a U.L. approved label.

Respectfully submitted,

THOMAS D. HACKENSON

Building Commissioner

REPORT OF GAS INSPECTOR

During the year 1982 there were eighteen gas permits issued. A total of \$210.00 was collected and turned over to the Town Treasurer.

Residents are reminded that if there is any type of work performed on their gas installations or appliances in which lines are disconnected and then reconnected, such work MUST be done by a licensed gas installer and a permit MUST be obtained for same.

Respectfully submitted,

ROBERT J. ROSSETTI

Gas Inspector

REPORT OF PLUMBING INSPECTOR

During the year 1982 there were a total of twenty-four plumbing permits issued, four of these were for new homes. The sum of \$375.00 was collected and turned over to the Town Treasurer.

Respectfully submitted,

ROBERT J. ROSSETTI

Plumbing Inspector

REPORT OF WIRING INSPECTOR

During the Fiscal Year 1982 there were a total of 48 permits issued, amounting to \$446.00. Permits were #385 to #432 inclusive.

Respectfully submitted,

WALTER J. CHANNING

Wiring Inspector

REPORT OF MENDON HOUSING AUTHORITY

To the Honorable Board of Selectmen:

1982 Annual Report

There are (30) thirty apartments at Sunrise Apartments which were completed in 1966.

The Mendon Housing Authority has two programs; namely, Chapter 853 Housing for the Elderly and Chapter 707 Rental Assistance for Families of Low Income. Both programs are state funded. Mendon has one unit under Section 8, Federal Leased Housing Program, which is handled by the Department of Community Affairs.

To be eligible for admission, the net income limit is as follows:

One Person	\$10,864.
Two persons	12,416.
Three persons	13,968.
Four persons	15,520.

or 80% of the Section 8 low income limit for a family of four in the Non SMSA (Standard Metropolitan Statistical ARea) in which the local housing authority is located. Assets should not exceed \$15,000. or one and one half times the net income, whichever is greater.

The board members hold their regular monthly meeting on the third Tuesday of the month at 7:30 P.M. at the Community Building at Sunrise Apartments and the annual meeting is held on the third Tuesday of May. The following is a list of board members:

Chairman	Peter I. Denton 39 Thayer Street Mendon, MA 01756 Term expires May 1984
Vice Chairman	Howard F. Miller 6 Hastings Street Mendon, MA 01756 Term expires May 1985
Treasurer	David B. Lowell 40 Millville Street Mendon, MA 01756 Term expires May 1983
Member	Joseph F. Bradley 28 Maple Street Mendon, MA 01756 Term expires May 1986
State Appointee	Florence Smith 147 Uxbridge Road Mendon, MA 01756 Term expires Aug. 26, 1986

In formulating the budget for 1983, the Department of Community Affairs has set up a Management Incentive Program. This year the Department gave the Mendon Housing Authority a six percent cap on non utilities, a 10% cap on utilities a 7% cap on administrative salary and service, and the maintenance wages are determined by Labor and Industries.

New laundry machines were installed this year and (2) two stoves and (2) two refrigerators were replaced. The motors in the well house are requiring service as they are now seventeen years old.

The Authority members wish to express their Appreciation for the services and kindnesses shown to the tenants during the past year.

Respectfully submitted,

EMMA M. BARROWS,
Secretary

REPORT OF THE PARK DEPARTMENT

The Mendon Park Department respectfully submits this report on activities for the year ending June 30, 1982.

The Town Beach opened on June 28, and remained open until the end of August.

Beach Director — Erin Kelley

Karen Dwyer
Beth Hanlon
Sue Johnson
Melissa Stone

Robyn Abretti
Kim Marquis
Monique Demers

Laborer — Scott Channing

The Swimming program had a total registration of 265 boys and girls. The swimming which competed against area towns was once again very successful. A new raft was constructed for the swimming program. Recreation activities for the swimmer included the doll show; crazy hat day and a field day program held with the Hopedale Recreation Department. The arts and crafts program was eliminated, however. An effort will be made to have some type of arts and crafts for the summer of 1983. Possible new projects for the Town Beach will be fixing up the parking lot, replacing the old basket ball back board and fixing up the water front area.

The mowing of Memorial Field and Founders Park was contracted out to Norman Cousineau and both areas were very well maintained. The Park's laborers hours were cut to 20 hours and there was difficulty getting proper areas mowed either due to weather or equipment problems. A new mower was purchased during the summer and another will be purchased this summer.

Members of the Park department would like to thank all the interested citizens who helped with the beach program or worked on the baseball and softball field.

The Park Department will be looking to up-date and expand the recreational facilities at the Town Beach and Memorial Field in order that children and residents will have an opportunity to utilize these areas to their fullest extent.

Respectfully submitted,
J. MARTIN AUTY
DAVID WEATHERBEE
JOSEPH BISHOP

REPORT OF POLICE DEPARTMENT

To the Honorable Board of Selectmen and Citizens of the Town of Mendon:

The following is a record of the Mendon Police Department and its activities for the year ending December 31, 1982.

Motor Vehicle Fines from District Court	9,874.50
Answering Service Police Calls	5,366

Thanks to the generosity of Mendon merchants and professional people, the "Officer Phil" Program was initiated into the elementary school. "Officer Phil" is designed to instruct elementary children about safety, vandalism and its effects, and child molestation, using animated characters, films, and work books.

A new officer, canine "Rocco" was appointed to the police department, and has since been of great service in apprehending several felons, one involving a firearm.

All members of the police department spent several evenings receiving re-certification instruction in CPR and First Aid. Our instructors, members of the Uxbridge Fire Department, gave excellent instruction.

The Mendon Police Department gratefully acknowledges the excellent cooperation and assistance of other town departments and boards during 1982.

Respectfully submitted,
KELSIE E. TOWNSEND
Chief of Police

REPORT OF THE LIBRARIAN

The circulation of books and periodicals for the year 1982 (177) days was 3,385. Circulation by classes was as follows: fiction 1,273, magazines 388, juvenile fiction 1,083, biography 126, history and travel 137, literature and fine arts 121, science and useful arts 126, all others 135.

There were 355 new books added to our library this year. The added books were purchased with town funds, from the library trust funds and L.S.C.A. funds, or donated by Mrs. Geraldine R. Wallace, Nick DeLegge Central Mass. Regional Library System, Barbara Burke and the Loring family.

Of the many services available from the Regional Library system that we have used are the Bookmobile, large print books, interlibrary loans, and film loan.

The mothers of 3 and 4 year old children continue to operate a successful library school program for their children.

Our thanks and appreciation to the Trustees, Town Officers, Custodian Gary Taft and assistant Mrs. John Dwyer.

Respectfully submitted,

LORNA F. RHODES

Librarian

REPORT OF FIRE DEPARTMENT

To the Honorable Board of Selectmen and the Citizens of the Town of Mendon:

The Fire Department answered a total of 132 calls during the year 1982, and increase of 23 over 1981.

Brush	24	False	9
Illegal Burning	7	Investigations	7
Permit out of Control	3	Oven Fires	2
Mutual Aid Calls	9	Electrical	4
Structure	5	Vehicles	6
Rescue	5	Gas Wash Downs	3
Chimney	25	Stove Fires	2
Boat	1	Cellars Pumped	15
Gas Leaks	2	Wells Pumped	3

For your family's safety please install and maintain smoke detectors in your home. Remember, if a fire starts, a few minutes warning can mean the difference between life and death.

New fire alarm cable was strung replacing the old on Main Street and Route 16 to Emerson Street. New cable will be installed to the Sunrise Apartments this year.

A reminder: Kerosene heaters are outlawed in the State of Massachusetts and must not be used in a place of human habitation.

In closing I wish to thank the members of the Fire Department, Town Officials, Town Departments, and the Citizens of the Town for their cooperation during the past year.

Respectfully submitted,

WES SHATTUCK

Fire Chief

REPORT OF CONSERVATION COMMISSION

In 1982 only three orders of conditions were issued under the Wetlands Protection Act, indicative of the building lull due to the economy. Orders were issued to Theodore Cohen (H'o Trust) for a project off Cape Road, Steven Hackenson for lake front improvements and Kenneth Bosselman for a house lot on Bellingham Street.

The annual town cleanup was held on April 24, 1982. It was again a very successful project as most of Mendon's streets were cleaned of road-side litter. Approximately one hundred fifty (150) people worked all Saturday morning picking up bottles, cans and paper. The Commission extended sincere thanks to all who helped, particularly the Lions Club, Police Department, Highway Department, Duane Nelson, Robert Kimball and M and T Trucking.

One thousand tree seedlings were given away to residents on May 1, 1982. Members of the Grange assisted in the distribution.

Lake Nipmuc was treated for weed control on June 23, 1982 by Aquatic Control Technology of Wayland. The chemical Aquathol-K Special treatment of the weed elodea in the cove near Nipmuc Marine required the spot use of diquat. The cove was closed for ten days.

A plan for a nature trail for the newly acquired land off Taft Avenue was prepared by Dean Wieggers and approved by the Commission on September 30, 1982.

Grace Harde was appointed as a member of the Commission in September. Her background in landscape design and education at Middlebury College and New York Botanical Garden have made her a valuable asset to our group.

Respectfully submitted,

F. BLAIN HAWKES, *Chairman*
IAN O. DENTON
RICHARD M. GRADY
GRACE HARDE
DEAN WIEGERS

REPORT OF THE PLANNING BOARD

The Planning Board respectfully submits the following report for the calendar year ending December 31, 1982.

Many hours have been spent by the Planning Board updating the local subdivision and zoning by-laws to keep current with the numerous changes in State and Federal laws. The new zoning by-laws books are completed and at this time are being printed.

There were no big developments submitted this year, but there were a considerable amount of transfer and recordings of smaller parcels of land.

The Planning Board has moved to their new recently renovated office in the basement of the Town Hall.

Robert Caron was elected to a 5-year term on the Planning Board and is Chairman. Peter Denton is Vice Chairman and Norman Rogers Secretary.

Respectfully submitted,

ROBERT E. CARON, JR., *Chairman*
PETER I. DENTON
NORMAN I. ROGERS
GORDON GOOD
RICHARD QUINLAN
Mendon Planning Board

REPORT OF BOARD OF HEALTH

One of the Boards top priorities during 1982 was beginning the closure procedure of the Ferrucci landfill. On June 7, 1982 the Board received an order from the State Department of Environmental Quality Engineering to have the work completed by the end of the year. Closing the landfill includes having an engineered and surveyed plan of the entire area. The Board voted to hire Shea Engineering and Surveying Co., after taking proposals from approximately 9 other companies. DEQE approved the plans for closure and bids will go out for the actual work which includes grading, placing 12" of loam over the entire area. After this work is

completed the site must be groomed and seeded. The project is scheduled to be completed early in spring 1983.

Wes Rogers was appointed Animal Inspector and Helen Gibson Burial Agent.

The usual clinic was held for the elderly citizens and school children. We are grateful to the V.N.A. for their continued high quality care.

The Board continues to inspect the town's restaurants and are generally pleased with the results and cooperation received.

Additional activities included:

- 10 disposal works construction permits
- 3 installers permits
- 1 nonalcoholic beverage permit
- 2 garbage removal permits
- 9 food service permits
- 2 syringe permits
- 2 market licenses

In closing, the Board of Health wishes to voice concern for the environment and to restate its position leadership, particularly in protection and conservation of use of water resources and in finding a permanent solution to the solid waste disposal program. Individuals should recycle as much as possible, i.e., composting, saving newspapers and returning refundable bottles. Septic system maintenance is also important; yearly cleaning is recommended.

Respectfully submitted,

B. JOYCE GILMORE, *Chairman*
WILLIAM BUTLER
JOHN GIBSON

REPORT OF THE HIGHWAY DEPARTMENT

COLD MIX

600 ton has been applied to Bellingham Street from Mary Drive to Route 140 as a leveling cover.

200 ton has been applied to Kinsley Lane to make this road 95% complete.

250 ton was also applied to Bates Street near the Bellingham Town Line.

RECONSTRUCTION

2500 feet of Pleasant Street was torn up then 400 yards of gravel was added for regrading followed by an oil penetration.

1500 feet of Northbridge Road was reconstructed followed by a 2% Type I hot top base and leveling course to the Northbridge Town Line.

The Highway Department was able to complete 70% of the reconstruction to a 1500 foot section of Blackstone Street.

OIL PENETRATION

This process was applied to a 1000 foot section of Mowry Street between Route 16 and Hartford Avenue West.

NEW DRAINAGE

New pipe and catch basins were installed on the following Streets:

Blackstone Street — 1000 feet of pipe
and 6 catch basins

Washington Street — 320' of pipe and 1 catch basin

Mowry Street — 40' of pipe

Pleasant Street — 60' of pipe

Providence Street — 120' of pipe

In closing I wish to thank the Board of Selectmen, Finance Committee and Citizens of Mendon for their support of the Mendon Road Program.

Respectfully submitted,

FRANCIS IRONS

Highway Surveyor

REPORT OF THE BOARD OF SELECTMEN

One of the more pleasant duties of the Board is recognizing special groups and special people. The Board in proclamations read by Chairman Bill Ober named August 21, 1982 as Senior Citizens Day in Mendon and August 27, 1982 as Frank Dudley Day in recognition of his service and dedication as Postmaster.

Work continues on renovations to the basement area to convert this space to useful town offices. The annual Town Meeting voted to appropriate funds to complete the renovations. The work was completed by the end of December and transfer of Police Department, Planning Board, Board of Health, Zoning Board of Appeals, and Veteran's Agent is in progress.

The Town Hall and Library have been repainted outside as voted at the Annual Town Meeting.

The Board had a controversial issue which was resolved after meetings, discussions and presentation at Town Meeting. This concerned naming the square in the center of Mendon. The Board voted following Town Meeting Action, to name the triangle at Main and Maple Street intersection as Veteran's Memorial Square.

During the year the Board met frequently with representatives of Southern Mass Cablevision, signing a provisional License on August 9, 1982. Subsequently, the Licensee withdrew because of financial problems. Your Board is faced with going through this arduous process all over again.

The Town election returned Clarence Phipps to the Board and at its organizational meeting May 10, 1982, Mr. William Ober was appointed Chairman.

Again this year due to re-evaluation and late state acceptance of Mendon's valuation we were unable to establish a tax rate by the end of December. Voluntary payments were accepted however. It was necessary to borrow monies to meet Town Expenses. Interest on borrowed amounts is an added burden to the Town. The Board has discussed a solution for future years in conjunction with the Assessors and Treasurer/Collector.

The Board has worked closely with the Highway Superintendent in obtaining equipment to replace obsolete or worn-out machinery. Additionally, very close to year's end, due to Mendon official's conservatism, and following state certification of valuation, we discovered that the levy was \$100,000.00 too low. This amount could be returned in lower taxes or retained for Town use. The Board supported spending this amount on road repairs which was voted at the Special Town Meeting December 27, 1982.

The Board has adopted a policy whereby licenses required by businesses and individuals will not be issued if the license holder is in tax arrears unless the licensee appears before the Board with a reasonable explanation.

The Board thanks all the Town officials, employees, and appointees for their continued good work and especially the Townspeople who by their wisdom, keep this Board on the right track.

Respectfully submitted,

WILLIAM F. OBER, *Chairman*
ROLLAND J. MORIN, JR.
CLARENCE R. PHIPPS

REPORT OF BLACKSTONE VALLEY VOCATIONAL REGIONAL SCHOOL DISTRICT

The vocational School opened its latest school year with a new and exciting program of computer science and study. Probably the most innovative program in the history of the school, the computers offer a challenge and a terrific opportunity for all the students of the district. The program actually is not inexpensive but the rewards should be satisfying.

For another year the evening courses attracted large numbers of adults interested in the trades offered. These programs now are offered at the expense of the individual. We find that most of the programs are over-subscribed even with the tuition charge.

The assessment of the town of Mendon for 1983-84 is \$27,840.36, which breaks down to \$1,031.00 per pupil. This will allow 27 students to attend the Vocational School. The operation budget and assessment figures show the cost and revenues in relation to the district. Mendon's ratio is .02834. This figure determines the portion of the operating cost which Mendon must pay.

I wish to thank the people of Mendon for the opportunity afforded me to serve on this committee.

J. GERARD SWEENEY

REPORT OF THE MENDON-UPTON REGIONAL SCHOOL DISTRICT COMMITTEE

To the Citizens of Mendon and Upton:

Once again, in 1982, the single most time consuming part of your School Committee's job was the budget.

During the year, the district realized some successes for the efforts started in 1981 and continued into 1982 lobbying for additional state and Federal aid and supporting the passage of bills supportive of public education.

Some much needed and long neglected repairs and energy conservation measures were implemented as a result.

Although most of the School Committee members took part in the lobbying effort, Mr. John Morrel must receive most of the credit as he did most of the work.

Federal Grant money was applied for by members of the administration and faculty. This work was rewarded by grant approvals allowing the District to implement Apple II computers and associated peripheral hard and software throughout the system. The computer age is here, and our children will be ready for it.

We were also awarded a grant which allowed us to implement a Health Education program. It is hoped that this program can be expanded in the near future.

Another grant allowed us to sow the seeds of a program for academically advanced students. This fledgling program is presently limited to the fourth grade level but it is a start.

These and other grants were awarded after much research and work by our administrators and our faculty.

Another innovation in 1982 was the offering of college courses to our students and adults by Central New England College. These courses are available to members of the Junior and Senior class as well as adults. Where almost half of our graduating class last year intended to further their education after high school, this program will allow them to obtain transferable college credits while still in high school.

The Math and Language Arts curriculum will be coordinated throughout the system with the appointment of Miss Beverly Ferrucci and Mrs. Grenith Rose to those positions. These appointments were made as a result of recommendations from the on-going Curriculum Subcommittee.

The Committee wishes to thank Elsie Yones and Arthur Robinson for the past dedicated custodial services. We wish them well in their retirement.

This year, as in past years, the volunteerism prevalent in Mendon and Upton came forth again. As aides and monitors were let go in the quest for budget trimming, volunteers stepped forth to fill the gaps. As dollars were cut from the budget for field trips, athletic and music transportation, volunteers provided the funds, and in some cases the vehicles required.

When money was trimmed from the budget for administrative and faculty meetings and conferences, some members attended anyway, at their own expense.

When vandals attacked the Memorial School in Upton, volunteers of all kinds, parents, administrators, teachers and students all worked to clean up the mess, saving the district thousands of dollars.

High school students voluntarily painted their own lockers. Teachers gave up lunch periods and preparation periods to fill in gaps. Administrators, students, teachers, parents and Town officials attended School Committee meetings and provided valuable input, advice, support and information.

To all who helped, whether as part of a formal organization, or individually, the Mendon-Upton Regional School District Committee offers its sincere thanks.

Respectfully submitted,

FREDERICK J. PIRONTI, *Chairman*
CHARLOTTE RIVARD (Mrs.), *Vice Chairman*
BRIAN R. HASTINGS, *Secretary*
WILLIAM C. YOUNG, *Treasurer*
CONRAD BELIVEAU
JOHN MORREL

NIPMUC REGIONAL HIGH SCHOOL

REPORT OF THE PRINCIPAL

We at Nipmuc Regional High School worked diligently to make the 1982 school year most successful for the students of Mendon and Upton. Much of our success is due to the hard work performed by all involved in its operation. Following the pattern of other hard workers, Arthur Robinson and Elsie Yones retired. They will be sorely missed by the student body and staff. Old familiar faces Virginia Grant, Peter Baszner, and Dennis Page returned after a one year leave of absence. New faces also appeared; Gladys McGuinness, in our home economics department; and John Dodson, in our industrial arts department.

New ideas and programs are tried each year, and if successful they are implemented as part of our curriculum. A new and interesting beginner's course for weaving on the four-harness loom has been added to the **Art Curriculum**. In June a special senior exhibit was held on class night.

Providing saleable skills and meeting personal needs of students were again the main goals of the **Business Education Department**. In conjunction with the mathematics department chairperson, the business education chairperson wrote a grant for vocational education and were awarded monies for computer awareness and skill development. Interested students thereby receive the opportunity to gain skills in programming, basic operating techniques, and word programming. A member of the 1982 graduating class achieved type-writing skill recognition when she attained second place in typing contests held at Quinsigamond Junior College and Salter Secretarial School. In a new format for the distributive education program, students had to apply for positions within the total operation of the business. Some of the positions included manager, assistant manager, purchasing agent, receiving manager, publicity director, inventory controller and advertising.

The **English Department** hopes to utilize the Apple computers to provide for more individualization within the college-preparatory programs and to diversify the writing units within the Business English class. Through the acquisition of SAT-preparation computer programs, students experiencing difficulty with verbal-relationship questions or with aspects of the test of Standard Written English (TSWE) will be able to drill intensively in their problem areas. Business English students who have taken Computers in Business will be able to apply their skills to technical writing projects within their English course.

The **Home Economics Department** has completed updating of curriculum to meet the changing needs of teenagers in today's modern lifestyles. FHA/HERO continues to be a vital part of Home Economics at Nipmuc. In April, twenty-five members attended the Spring State Conference at the Holiday Inn, Woburn. Because of a spring

snowstorm, Nipmuc students were unable to return home as scheduled and spent an unexpected second night in Woburn - Snowbound! Nipmuc students lent a helping hand to a very limited hotel staff due to the storm and FHA members helped with waitress duties, laundry and vacuuming.

This year the sixty-five members are hoping to visit Cape Cod for Spring State Convention. Pennie Bartlett, State Communications Officer, has published the Fall State Newsletter and presently is working on the Newsletter for the new year.

Home Economics students prepared and served a Holiday Buffet to members of the Administration, Faculty, and Staff and invited guests on December 2.

Child Care Students and FHA Members made a variety of stuffed animals for the "Toys for Tots" program for the Marine Drive for underprivileged children in New England.

The **Mathematics Department** was able to expand its computer course offerings with the availability of two federal grants. The first grant enabled the department to purchase two Apple II Plus microcomputers, three disk operating systems, a color monitor, and two printers. A continuation of a second grant, "Computer Awareness and Skill Development," written by the mathematics department in conjunction with the business department, allowed the purchase of an additional Apple II plus microcomputer, monitor, disk operating system, and an electronic typewriter. The addition of the new equipment allowed the department to increase its enrollment three-fold.

The **Music Department** continues its program of study to best suit the needs of its students.

The number of students taking music as a major subject has been very significant this year. A large number of students have become more involved in the creative aspects and technical means of producing music.

Students are concerned and interested in knowing how to reproduce what they hear and, more importantly, how to create sounds of their own.

This year's music activities have included a Spring Concert, a School Concert, Memorial Day Parade, Graduation, a Winter Concert, a day of caroling, and a trip to New York City for the Christmas Show at Radio City Music Hall.

A new addition (**Power Mechanics**) to the **Industrial Arts Curriculum** is offered for the first time this year on a very limited basis. Hopefully we will be able to expand this program in the coming year. The new showcase to be built in the main lobby hopefully will be completed by the end of this school year. The design was originated by the Industrial Arts Department, and the building of the project will take place by students in the program. Funds for the trophy case were raised by members of the Home Economics and Industrial Arts Departments.

The **Science Department** is planning to recommend a two year minimum for science, one of which must be biology. The high level ninth grade science (IPS) is being re-evaluated with a view toward a more specific and challenging course for the more capable student. We are working more closely with the mathematics department to develop computer application. The science sparks program was very well received last year in the lower grades. The program is being continued and expanded with new offerings.

Member of the **Foreign Language and Social Studies Departments**, as well as all other departments, have been working earnestly on the upcoming evaluation to be conducted by the New England Association of Schools and Colleges in April of 1983.

The Graduating Class of 1982 numbered eighty-eight students — thirty-five boys and fifty-three girls, and they planned to do the following:

Four Year Colleges	33%
Junior and Community Colleges	9%
Miscellaneous Schools	3%
Nursing Schools	1%
Armed Forces	11%
Employment	28%
Undecided	4%

The Class of 1982 is represented at a variety of five educational institutions, including Anna Maria College (2); Assumption College; Central New England College; Clark University; Fitchburg State College (4); Johnson and Wales College; North Adams State College; Northeastern University; Providence College; Rochester Institute of Technology; Southeastern Massachusetts University; University of Bridgeport (2); University of Lowell; University of Maine at Farmington; University of Massachusetts in Amherst (3); Westfield State College; Worcester Polytechnical Institute (2); and Worcester State College; Becker Junior College (3); Dean Junior College; Massachusetts Bay Community College (2); North Shore Community College; Quinsigamond Community College (6); and David Hale Fanning Trade Schools (3); Henry O. Peabody School; MGH School of Aesthetics; New England School of Accounting; Rhode Island Trade Shop School; Rob Roy Beauty Academy; and Wilbur Cosmetology School; and Saint Vincent's Hospital School of Nursing.

We are pleased to announce that one senior member of the Class of 1983 is enrolled in an early admissions program at Bryant College.

I would like to thank all persons and organizations who in any way helped in the operation of Nipmuc Regional High School during the past year.

Respectfully submitted,

ANTHONY H. GULLA, JR.
Principal

NIPMUC REGIONAL HIGH SCHOOL GRADUATION — CLASS OF 1982

June 5, 1982

The Good Citizenship Certificate for excellence of character given by the Daughters of the American Revolution.

WINNER: Susan Herbert

The American Legion School Award given by the Roger L. Wood Post for the student who best exemplifies the qualities of honor, courage, scholarship, leadership, and service.

WINNER: Frederic Kelley

Two \$100.00 scholarships awarded by the Home and Community Service Committee of the Upton Grange to the Upton girl and boy judged to be most deserving.

WINNERS: Holly Scribner
Daniel Fowler

Two \$100.00 Good Fellowship Awards given by the Mendon Fire-fighters to a Mendon girl and boy furthering their education.

WINNERS: Teresa Huff
Frederic Kelley

The Ella Whitney Risteen Awards of \$25.00 each to the girl and boy who have made the greatest progress in terms of total growth and development of the students during the high school years.

WINNERS: Alison Crowley
David Powers

One \$300.00 scholarship given by the Mendon-Upton Band Boosters to a student furthering his or her education in the music field.

WINNER: Ellen Townsend

One \$100.00 scholarship awarded by the George L. Wood Post, Veterans of Foreign Wars, Upton.

WINNER: George Haven

One \$100.00 award known as the Virginia Rogers Memorial Scholarship.

WINNER: Elizabeth Tysen

Two \$100.00 scholarships given by the Upton Bloomer Girls, a community service organization.

WINNERS: Susan Herbert
Barry Fougere

One \$200.00 scholarship known as the Gary Bates Memorial Scholarship given from the proceeds of funds raised by the youth of Upton as a memorial scholarship to be awarded annually to a graduating student from Upton to defray the cost of further education. Selection by the Bates Scholarship Committee and the Board of Selectmen.

WINNER: Kirsten Person

Two \$100.00 scholarships known as the St. Michael's Catholic Women's Club Scholarship to a member of St. Michael's Parish.

WINNERS: Elizabeth Tysen
Frederic Kelley

Ella Risteen Scholarship, Clause B administered by the Selectmen of Upton and approved by the March 1973, Town Meeting, a sum, not to exceed \$500.00, to be awarded annually to Upton students graduating from a private or public high school and planning to further their education:

WINNERS: \$100.00 Karen Bates
100.00 Laura Hebb
100.00 Tracy Williams
100.00 James MacDonald

Two \$100.00 Savings Bonds given by the Mendon Police Association to that girl and boy who displayed good school fellowship.

WINNERS: Vera Hazard
Fred Phipps

One \$200.00 scholarship given in memory of Clifford Lapierre by his family and friends.

WINNER: Robert Gregoire

One \$100.00 award given by the Nipmuc Regional High School Student Council.

WINNER: Sandra DeWolfe

One \$100.00 scholarship known as the Harold F. Lowell Memorial Scholarship given to a girl or boy furthering his or her education.

WINNER: Betsy Hawkes

One \$450.00 scholarship given by the Milford Rotary Club to the student having achieved the highest score on a combination of four-year high school grades in the college curriculum and the College Board Examination.

WINNER: Jeffrey Mattson

Two \$100.00 awards given by the Nipmuc Warriors Club to a girl and boy in the athletic program.

WINNERS: Patricia Herlihy
Frederic Kelley

One \$100.00 scholarship given by the Foreign Language Club, a student organization at the high school.

WINNER: Tracy Williams

Two \$100.00 awards given by the Mendon Lion's Club to that Mendon boy and girl having the highest academic rank, and furthering his or her education.

WINNERS: Jody Irving
Jeffrey Mattson

One \$100.00 scholarship known as the David French Hamilton Memorial Scholarship Award, established by his family and friends, presented to a graduating student who is eager to learn, willing to work hard and has demonstrated qualities of citizenship, leadership and commitment.

WINNER: Ellen Townsend

One \$100.00 award given by the Blue Dolphin Booster Club to a member of the Blue Dolphins Swim Team.

WINNER: Daniel Fowler

One \$200.00 scholarship given by the Mendon Country Gift Barn to a deserving student having an average academic rank and furthering his or her education.

WINNER: Christine Habel

One \$300.00 award known as the Deborah L. Beltramini Memorial Scholarship to be awarded from a fund established by her family and friends and to be given annually to a student who demonstrates a talent in and a love of music and who plans to further his or her education.

WINNER: Ellen Townsend

Two \$500.00 Scholarships given by the Upton Women's Club to a Mendon and Upton student furthering his or her education.

WINNERS: Deidra Bill
Jody Irving

One \$1,000.00 scholarship award known as the George R. Whitten, Sr. Annual Scholarship selected and given by George R. Whitten, Jr. to a Mendon resident furthering his or her education at other than a four-year college.

WINNER: Elizabeth Tysen

The Mendon-Upton Regional Teachers Association awards ten scholarships totaling \$2400.00:

One \$200.00 award known as the Janet O. Stockwell Memorial Scholarship to a student furthering his or her education in the medical field.

WINNER: Marianne O'Sullivan

Eight scholarships in the amounts designated.

WINNERS: \$100.00 Kristen Geberlein
100.00 Elizabeth Hanlon
100.00 George Haven
200.00 John Dwyer
200.00 Barry Fougere
200.00 Jody Irving
400.00 Elizabeth Amato
400.00 Betsy Hawkes

One \$500.00 scholarship known as the Henry P. Clough Scholarship given by the Mendon-Upton Teachers Association. Selection is based on scholarship, leadership, service and character.

WINNER: Frederic Kelley

One \$500.00 scholarship known as the Wilho Frigard Memorial Scholarship to be given each year from a fund created by his friends and colleagues.

WINNER: Susan Herbert

Special recognitions, scholarships and financial aid packages have been awarded by other community groups and colleges:

Holy Angels Church in Upton \$100.00 each to:

Karen Bates
Mary Ellen Clark
Barry Fougere
Christine Habbel
George Haven
Susan Herbert
Patricia Herlihy
Kathleen Laflamme
Marianne O'Sullivan

A \$500.00 Scholarship given by the Greater Milford Chamber of Commerce and known as the Lawrence Shane Memorial Award to:

George Haven

A \$200.00 Scholarship given by the Northbridge Association of Churches in memory of Peter Hackett, local historian, to an area high school student furthering his or her education.

Kristin Person

The Massachusetts State Scholarship Program — an awards of \$900.00 to:
Elizabeth Tysen

The following financial aid grants are renewable each year:

Clark University	\$3,300.00	Deidra Bill
Providence College	2,000.00	John Dwyer
Worcester Polytechnic Institute	3,200.00	Barry Fougere
University of Bridgeport	1,300.00	Mark Sylvester
Navy ROTC Scholarship		James MacDonald

MISCOE HILL MIDDLE SCHOOL REPORT OF THE PRINCIPAL

I am pleased to submit my third Annual Report as Principal of Miscoe Hill Middle School.

I would like to begin my report stressing the positive educational activities. One area in which there has been improvement is in language arts. The school is phasing in a co-basal reader at grades five and six in an attempt to meet the needs of as many children as we can. By using more than one approach and technique, more childrens' needs will be met. Our efforts in this change have been enhanced by the Language Arts Coordinator as we continually seek smooth transition from grade to grade.

Science at the seventh and eighth grade level needs revision. The addition this year of a science teacher at this level has allowed much of the burden of science education to be shifted from one person who was basically responsible for all science to two people.

Mathematics is being studied at Miscoe Hill with the thought of having this subject better meet the needs of the child. The school district has a mathematics coordinator this year who will aid in this task and will coordinate mathematics from grades kindergarten through twelve.

A middle school, by philosophy, seeks to serve the needs of the pre and early adolescent. Not only is this done through the regular curriculum, but through other vehicles such as Miscoe Hill's new Homepage Program. This program is a serious attempt to address many of the "trials and tribulations" as well as the "wonders" which face so many children sometime from the ages of ten to fourteen or fifteen. Because Homepage is a new program, a complete assessment cannot be made. Comments from staff, parents and children, however, have been favorable.

Late busses are now available two days a week from Miscoe Hill. This has meant that the intramural program has been better attended and that youngsters who must remain after school for extra help or for detention have transportation home. This has had a very positive effect.

Some of the greatest assets we have at Miscoe Hill are people; staff as well as community. Many from the community have given hours in helping in the classrooms, directing small discussion groups, doing many clerical chores in the office, writing news releases, running the library, baking for food sales, taking part in Homepage, and offering or helping

with activities, band and chorus. Voluntary donations to the Sponsor-a-Book program which benefits the library was overwhelming this year; it was the only way in which the library collections could expand. We are truly fortunate to have so many people who have given of themselves and/or of their resources.

Along with the positive must come the negative. Our class size in the fifth grade and in some of our seventh and eighth grades are too large for sound, effective teaching. Teachers, as well as parents, are finding that there is a limit to what can be done with so many. More staff is needed in some areas for optimum education to prepare our children for an increasingly technological and highly competitive world.

More staff is needed for art and physical education. Children of middle school age need far more than the so-called basics. This is an active age, and an age when many interests are formed which remain for life.

The staff and volunteers, as always, will do everything within their power to insure the best possible education for the children in the face of the present financial situation.

Respectfully submitted,

WILLIAM MILLIGAN
Principal

MENDON-UPTON REGIONAL SCHOOL DISTRICT 1983

PUPIL PERSONNEL SERVICES

Pupil personnel service programs have experienced some gains and some losses in 1982.

Because of the reduction of Federal monies for Title I, it was necessary to eliminate the reading and math support program at Miscoe Hill Middle School. We felt that with the monies available we could only concentrate on the remedial services at the elementary levels K-4.

We were however able to use PL94-142 federal monies to help establish a self-contained resource room program at Miscoe. The program was designed to facilitate the transition of students from private placements back to the public school setting. Melinda Kement has been servicing the students in this program.

In our elementary programs, Jean Todesca is replacing Barbara Rappaport, Reading Resource Teacher, who is on a maternity leave of absence.

We were sorry to have Deborah Hebert resign in April in order to have more time for her family responsibilities. Deborah was our elementary counselor eight of her ten years in our school system. She will be missed.

We are pleased though that Donna Mattson who was a part-time counselor last year is now our full-time elementary counselor.

All pupil service staff at Nipmuc, i.e. guidance, special education and health have been very involved in a self-evaluation process. This self-evaluation coupled with an on-site visit by a group of professional educators will determine Nipmuc's accreditation status from the National Association of Colleges and Secondary Schools.

Peter Baszner, High School Resource teacher, has returned from a leave of absence. Ina Zibbell who replaced Mr. Baszner is now working in the Middle School resource room replacing Donna Simone who resigned.

As a direct result of our parents indicating on the family survey (1980) that they felt the need of the school program to help students deal with social issues, Dr. Charles R. Hand, Superintendent instituted a Drug & Alcohol Abuse Study Committee. Based on the discussions of these meetings, Dr. Hand wrote a federal grant to use some allocated monies to fund a part-time Health Education Coordinator position. Dr. Herrick Hawkins joined our staff in September. Dr. Hawkins has been working at all four schools to develop plans to implement a K-12 health education program. We consider our system very fortunate to have attracted such a knowledgeable individual as Dr. Hawkins to work with us.

Respectfully submitted,

MARYELLEN L. GRAY, *Director*
Pupil Personnel Services

REPORT OF THE ELEMENTARY PRINCIPAL

We have been amazed and gratified with the tremendous response of school volunteers who have given their time, effort and talents to assist our schools in time of need. People have always been the most important resource, and people always respond to need. School is everybody's concern, because school is that thread that binds a community and a nation together. We are obviously in economic bad times, but we cannot deny to our children the proper education needed not only to sustain them, but also to sustain our society. Thomas Jefferson recognized this more than two-hundred years ago. Today, all of us must recognize that education is the gateway to success on any level, and as responsible citizens of society we must ensure, develop and encourage it. Let us not turn away from our schools in time of need.

A Mendon-Upton Elementary School Newsletter was developed this year to let you know of the many good things that are going on in our schools. The newsletter is published monthly except January. We hope you enjoy it. We would like to hear your comments and suggestions to make it even more successful.

Our teachers, pupils and parents have been involved in a few fund raising activities to ease program cutbacks due to "Proposition 2½". Funds raised are used for field trips, purchase of educational equipment and other items. All funds directly benefit our students.

Organizations that support our schools: Mothers' Club of Upton, Advisory Council on Education, Parents Active for Good Education of Mendon, support us in all phases of our work through fund raising, advocacy and volunteer efforts. We should all be members of these supportive organizations.

In an attempt to meet the needs of academically advanced pupils, a class was established in Upton to service fourth grade pupils from Mendon and Upton. This program as now set up will be replaced in September by the Resource Room concept whereby pupils on a scheduled basis will leave the regular classroom. Pupils nominated for this program will be carefully screened. The project will be partially funded by the federal government.

Computer education in our elementary schools has begun on a limited basis. Each school has a computer and many teachers participated in computer workshops held at our high school. Some teachers have taken courses on a more advanced level. Computer technology is in and perhaps should be a requirement for all students. We hope to acquire more computers for efficient instruction. Our pupils are fascinated by them and express a strong desire to become proficient in their use.

In the areas of language arts and mathematics the school committee appointed from our district two capable teachers to assist in the coordination of language arts and mathematics — K-12. Grenith Rose is Language Arts Coordinator and Beverly Ferrucci is Mathematics Coordinator. Our major goal in these programs is to develop proper coordination and develop consistent developmental objectives.

To bring down fuel costs, energy saving projects were completed this year. The oil burner at Memorial School was replaced with a new and modern system. At the Clough School combination storm windows were installed in the front section of the old building. Roofs were replaced or repaired in both schools.

Security lights and burglar alarm systems were installed at both schools to deter vandalism. Hopefully we will never have a repeat performance of the destruction such as occurred in our Upton school. The community effort in cleaning up the mess was tremendous, especially the help rendered by our high school students. We thank all who helped in this effort.

I would like to express my gratitude and appreciation to everyone who contributed in any way to the successful year at our elementary schools.

Respectfully submitted,

EDWARD M. SOTER
Principal

To the Mendon-Upton Regional School District Committee and the Citizens of Mendon and Upton:

I submit herewith my eleventh annual report as your Superintendent of Schools. My continuing objectives, in outline form, for the Mendon-Upton Regional School District for the next several years are as follows:

I. Educational Progress Improvement

- A. Implement the School Committee's Policy on Basic Skills improvement.
Consider competencies necessary for those aspiring to college using the "Massachusetts Department of Education's Committee on excellence in the schools" as a guide.
- C. Improve the education of special needs students.
- D. Improve guidance and counseling services.
- E. Improve industrial arts education.
- F. Improve gifted and talented education.
- G. Institute health curriculum K-12.
- H. Promote community and adult education.

II. Organizational Strengthening

- A. Inservice training will be provided in software development and effective use of computers.
- B. Central Office will explore use of computers for accounting purposes.
- C. Expansion of regional school district will be explored.
- D. Recognition and support of staff will be encouraged.
- E. Energy Conservation measures to be studied and appropriate recommendations implemented.
- F. Personnel Evaluation procedures to be monitored and appropriate changes made.
- G. All funding sources fully explored and appropriate applications made.
- H. Long range plan for maintenance projects be developed.

III. Public Accountability

- A. Special efforts will be made to involve parents, students, and community organizations in the schools. Expansion of volunteer programs continued. Cooperation with ACE and other support groups.

- B. Joint meetings with Town committee will be held and newsletters issued to the communities periodically.
- C. The Committee and Superintendent will give a high priority to state and Federal educational legislation especially as it applies to financing.

I refer you to other portions of this report, especially that of the School Committee, Director of Pupil Personnel Services, Principals and the financial and statistical records for a more complete review of the Mendon-Upton Schools.

In conclusion, I wish to thank all of those who have given their co-operation and support, the School Committee members, professional personnel, support staff and the Townspeople!

Respectfully submitted,

CHARLES R. HAND
Superintendent of Schools
